VNSW PROTOCOLS REGARDING –

ENGAGING INTERNATIONAL CLINICIANS/JUDGES TO CONDUCT NSW CLINICS/EVENTS

VNSW is dedicated to the growth and development of vaulting by engaging the services of suitably qualified and skilled professional clinicians to conduct VNSW workshops. The cost of hosting workshops with top clinicians/judges is significant and occasionally other groups seek to benefit from these clinicians/judges outside of the workshops and events conducted by VNSW. Anyone seeking to take advantage of VNSW funded clinicians/judges will need to abide by the following conditions:

- 1 All clinicians and judges brought to Australia by VNSW remain at all times under the care and control of VNSW for the duration of the NSW clinic/event or until released by VNSW from the agreed terms of engagement.
- 2 Once released from VNSW's care and control all clinicians and judges may travel domestically for leisure during their visit at their own expense.
- 3 VNSW or its agent shall be responsible for all transport arrangements, accommodation and meals for clinicians and judges for the duration of the clinic/event (excluding alcohol).
- 4 International clinicians and judges who choose to conduct additional clinics/events for entities other than VNSW while 'in country' may do so only if a cost sharing arrangement for all expenses related to engaging the clinicians/judges has been negotiated with and paid in full to VNSW prior to the commencement of any additional clinics/events.
- 5 Any expenses, insurances or claims associated with clinics or events not conducted by VNSW will be the sole responsibility of the clinicians, judges and the clinic/event organisers.
- 6 A copy of Certificate of Insurance cover for the clinician must be supplied to the organising committee prior to the clinic.
- 7 A copy of clinician Working Visa must be supplied to the organising committee prior to the clinic/event.
