Competitors are responsible for entering the correct classes. Prior to starting the entry process identify the classes to enter and confirm with your club as to what horse and lunger you will be using. This information needs to be correct for the draw.

Once you have selected the correct event, scroll to the bottom of the page for the competition.

<https://www.nominate.com.au/events>

Click the button "Click Here to Enter":

- Nominate will prompt you to fill in any required fields. Once completed the first page "Competition Entry Form" you will click next to go to stage 2.
- Competition Entry Stage 2 will require you to select the first class to enter then select the horse/lunger combination from the dropdown list.
- To add enter more classes click "Add Horse / Class" button. Once entered all classes click "Next" and this will take you to confirmation page and payments. If you have entered a squad or pas de deux you will be asked additional questions.

Correcting Errors after Payment has been made to Nominate

Refunds are available until the closing date for incorrect classes entered. If you have entered and paid for a class incorrectly, i.e. selected the wrong class or selected the wrong horse/lunger combination and have finalised the payment, then you will need to contact Nominate and request a refund for the incorrect entry. You will then need to enter the class correctly. To avoid paying the Admin Levy a second time you will need to enter the "Previous Invoice Number" on the Competition Entry Form. Your Previous Invoice Number will be found on your copy of the receipt that you will have been emailed. Continue with placing the correct entry ensuring class number and horse and lunger details are correct.
