

Equestrian NSW State Awards Criteria for 2021 Individual Athlete Awards

The Individual Athlete of the Year awards are for excellence in our sport – winners for these awards will come from our current leader board. The criterion is to be reviewed & re-evaluated each year by the VNSW committee in readiness for Award selection. All decisions made by the committee for these awards will be at the committee's discretion and will include vaulter integrity, participation and general code of conduct as per EA guidelines.

Individual Senior & Junior Awards - these will be awarded to the highest scoring individual vaulter in the highest level within their age category as per EA membership registration (Senior vs Junior) as indicative from our current leader board from the competition season.

The top 3 scores from events within the previous calendar year will be used to ascertain final scores; a minimum of three events must be attended to be eligible for these awards.

The Leader board for previous years can be found on the EVA website under Events.

Individual Vaulter Criteria

Individuals – Open, Advanced & Intermediate only

Top "per vaulter" final score per grade/per event

Top 3 scores (averaged) taken from 2021 events (all official events, including o/seas events)

Top 3 scores must be from the same grade (i.e. 3 scores from Open)

Individual Horse Criteria

Individuals – Open, Advanced & Intermediate only

Top "per vaulter" final horse score per grade/per event

Top 3 scores (averaged) taken from 2021 events (all official events, including o/seas events)

NSW horses only –

- If NSW horse competing in NSW with i/state or o/seas vaulter -horse score counts but not vaulter.
- NSW horses competing o/side NSW with NSW vaulter, horse score to count.
- However, if NSW horse competing outside NSW with i/s or o/s vaulter, horse score does not count.

In the event of not enough events being held during the qualification period, the committee reserves the right to carry results over to the following year.
