Thursday – Oct 6		
Bump-out		

Please note –

Classes are not in draw order.

CVI classes are predetermined by the approved CVI Schedule.

The organising committee reserves the right to amend the program classes as entries dictate.

- This is a fluid timetable and entries will predict whether classes need to be adjusted for each day.
- If entries for CVI classes are undersubscribed, any amendments to the timetable may result in a shorter competition duration, potentially reducing the event by one day.
